

Lebanon Community of Shalom Annual Partners' Meeting

Dear friends of Shalom, as we reflect on the past year we want to update you on our work, goals and visions.

Our Mission: To inspire and nurture the community of Boone County by sharing meals and encouragement.

Our Vision: To feed our community so that one day no one will ever experience hunger.

Our Goal "To create community, accountability, resources and encouragement to our neighbors." Building a strong community is bringing the meaning of the word Shalom, "Peace," to Boone County.

What we do:

Lebanon Community of Shalom is a completely volunteer based organization. We bring together those who live and work in the Boone County community to build relationships and to foster the well-being of neighbors. Shalom focuses on the basic need for food utilizing two different programs. Shalom Hot Meals Program includes forty different churches and civic groups partnering to contribute time, food and funding while preparing and serving meals each Tuesday evening and Saturday noon. Our Shalom Kids' Sack Lunch Program distributes a full week of nonperishable sack lunches from eight county-wide sites to school-aged children eligible for the Federal Free and Reduced School Lunch Program. Lunches are provided during the 13 weeks school is not in session through the year.

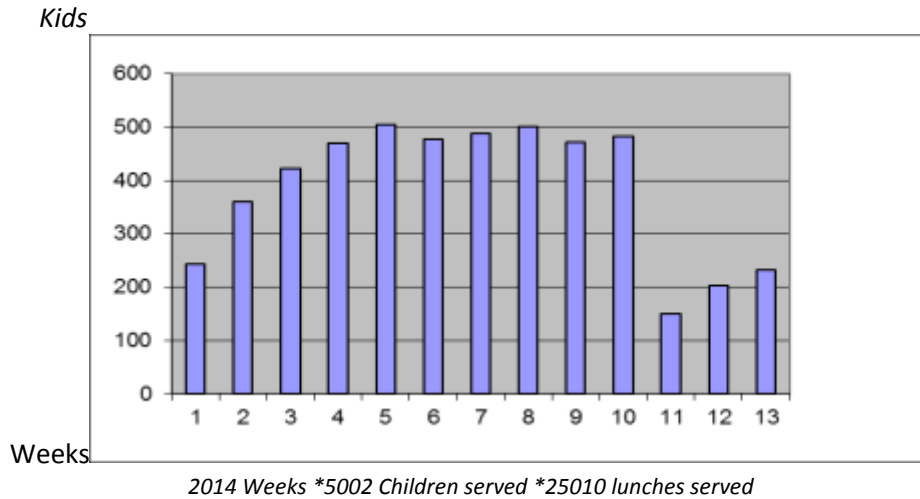

What we have done:

- Increased the protein and nutrition to Shalom Kids' Sack Lunches by adding a ½ gallon of 2% white milk and fresh whole fruit and carrots.
- On multiple summer weeks fed over 500 children each week.
- Implemented a literacy program for both programs.
- Renovated the Shalom House on its 10th Anniversary. (provided by the Hoover Family Foundation grant)
- Served record high numbers at the Shalom House this summer.
- Held three fundraisers in 2014 to stabilize our finances.
- Achieved 90% of our three year Strategic Plan goals in one year.

Our Goals for 2015:

- Begin one Thursday evening meal a month.
- Secure a facility for the storage of food and supplies.
- Continue our literacy program.
- Start a community garden at Shalom.
- Sustain both of our programs financially.
- Increase the nutrients in the sack lunches by adding V8.
- Feed anyone in Boone County experiencing food insecurity.
